We do not have volunteers available to help with your booth/tent set-up, so please plan accordingly! Tear-down will not be allowed until after 6pm on Saturday, July 19, 2025 or at which time the event closes, but must be complete prior to 9am Sunday, July 20, 2025.
3. We do our best to accommodate requests for specific spaces, but due to the increasing sizes in tents and the increasing number of clans, this has become more and more difficult. We will do our best but cannot guarantee any requests for specific placement.
4. Use of gongs, bells, strobe lights or other noisy distracting paraphernalia is prohibited.
5. All booths must be open and have personnel in attendance during posted event times.
6. Helena Highlanders Association, Inc will assign Clan spaces and reserve the right to reassign when necessary.
7. No Pets/Dogs are allowed. However, trained service dogs are welcome. We do not allow emotional support or companion animals at the event property including camping or in parked vehicles. The ADA defines a service animal as any guide dog, signal dog, or other animal individually trained to provide assistance to an individual with a disability. Emotional support and companion animals do not meet the definition of a service animal under the ADA and do not have the same public access rights. A service animal whose behavior poses a direct threat to the health or safety of others will be excluded from the event.
